Little Muheji School Fraternity

RE: A thank you to all and congratulations upon sustained academic performance

It's my humble duty and obligation, to express the Little Muheji School recognitions, for sustained academic excellence since 2013. To all, It has been a long haul for you, with three and seven years in nursery and primary respectively but I am sure you will agree that it is all worth it in the end.

Its indeed rewarding that the number of Little Muheji School pupils passing in division one has continued to increase over the years and that all pupils pass in division one and two.

We wholesome congratulate the pupils, parents, staff and all promoters, as this can't be taken for granted given the 2015 PLE ntional picture where only 8.6% of the pupils passed in division one, 47.6% passed in division two and 13.8% failed PLE.

Summary of Little Muheji School PLE performance (2013-2015)

Division	2013	2014	2015
Division 1	20	27	46
Division 2	1	2	17
Division 3-X	0	0	0
Total	21	29	63

We have carefully followed-up our graduates, and we remain delighted that, indeed the mark they get at Little Muheji School is a genuine mark and they continue to excel, wherever they go.

Once again, thank you to all, as we commit to even do better

Yours sincerely

Jotham Mubangizi
Director, LIMS
